

Object:

Be the only player left with one or more tokens.

Contents

Game Base
4 Base Arms
4 Paddles
Centre Cone
Looping Louie in Plane
12 Tokens
5 Extension Arms for
3/6/8 Players (Cap x1,
Short Arm x1,
Medium Arm x2, Long
Arm x1)
2 Label Sheets

Instructions

A. APPLYING STICKERS

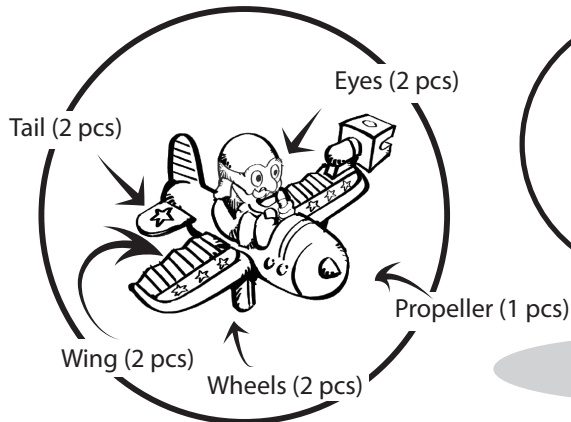

For 2 to 4 Players (with components for 3/6/8 Players)

1) Tokens

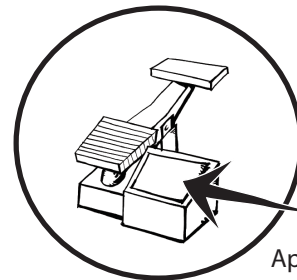

Apply one sticker on each side of the tokens

2) Louie's plane

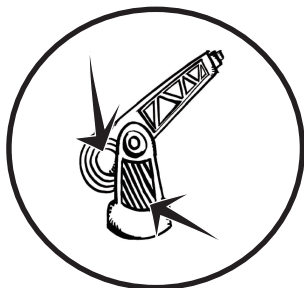

3) Paddle

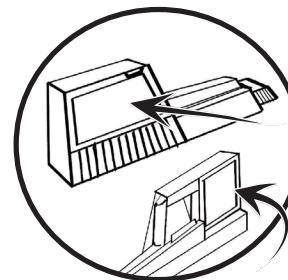

Apply one sticker on each paddle

4) Center Cone

Apply one circular sticker on each side of the main axle;
Apply one sticker on each side of the center cone.

5) Base Arms

Apply one large "barn" sticker on each side of the arms. Apply one small "barn" sticker on each side of the arms.

B. INSERT THE BATTERY

Turn the game base upside-down. Using a screwdriver, loosen the screw to remove the battery door.

Insert 2 "AA" size alkaline battery into the battery compartment. Be sure to match the "+" and "-" symbols shown inside. Then replace the door tighten the screw. (*Diagram 1*)

CAUTION: Battery may leak if improperly installed. Remove battery if game will not be used for an extended period of time.

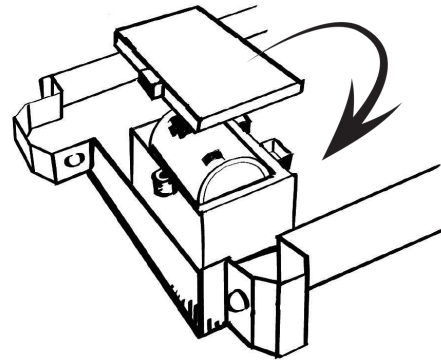

Diagram 1

C. ATTACH PLANE TO CONE

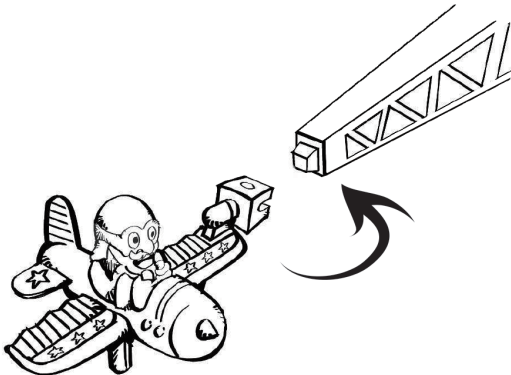

Diagram 2

Carefully push the cup at the end of the wing onto the tip of the center cone's blue arm, until it snaps into place. (*Diagram 2*)

D. ATTACH PADDLES

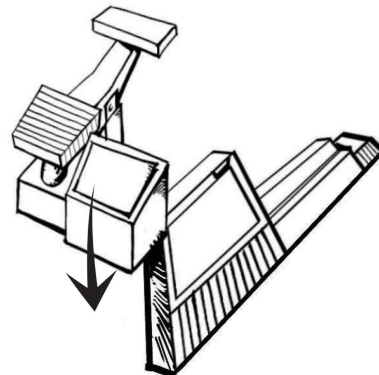

Diagram 3

Slide a paddle down onto the "barn" end of any base arm to snap it into place. Attach paddles to the other 3 base arms the same way. Paddles fit loosely on base arms. (*Diagram 3*)

E. GAME SETUP

(Diagram 4)

1. ATTACH THE BASE ARMS

Place the game base on a hard, flat surface. Attach the 4 base arms to the game base.

2. PLACE YOUR TOKENS

Take 3 tokens and place them in the slot above the barn. All players do the same. Place any extra tokens out of play.

3. FIT THE CONE ONTO THE BASE

Fit the cone (with Louie's plane attached) onto the center peg in the game base. Turn the cone clockwise slightly until it settles loosely onto the peg.

4. PICK A PADDLE POSITION

Your paddle is adjustable – It's position determines how easily you can hit Louie's plane as it passes by. Before player, decide which position you want – normal or advanced – and adjust your paddle accordingly. All players do the same.

NOTE: Extending the paddle out, like an "L" is the normal position. The advanced position, for older or more skilled players, is to keep it in straight.

F. HOW TO PLAY

TAKE OFF!

Lift Louie's plane until it stands vertically above the center cone (the center peg will keep it upright). Now the player closest to the ON/OFF switch slides it to the ON position. Louie's plane will slowly drop down and begin to circle counterclockwise.

PADDLING THE PLANE AWAY

As Louie's plane passes above your paddle, press your paddle down to hit the plane. Louie will spin, loop and dive – who knows WHERE he'll come down? Can you keep Louie's plane away from your tokens, while trying to "aim" Louie at opponents' tokens?

How to Paddle: Press the paddle with your right hand while holding the tab with your left. This will keep your tokens steady as you play. (Diagram 5)

NOTE: If you're more comfortable paddling "lefty", hold down the paddle surface labelled "Looping Louie" with your right hand.

LOSING YOUR TOKENS

If Louie's plane hits one of your tokens (or if you paddle too hard), the token will roll down the slot and out of play. Keep pressing your paddle to protect your remaining tokens!

Losing your last token: If Louie knocks down your last token, you can't win – but you're still in the game! Keep pressing your paddle to keep Louie looping!

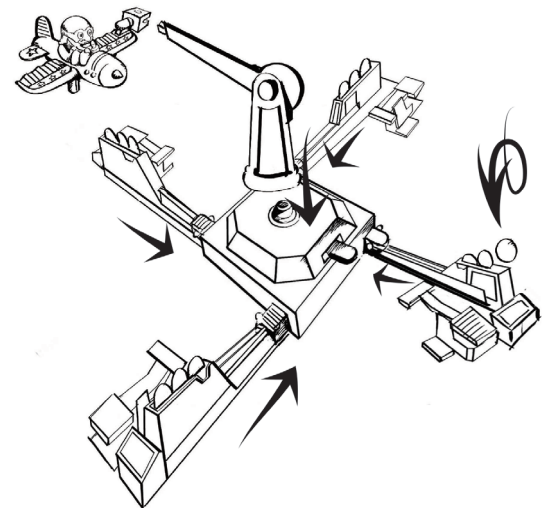

Diagram 4

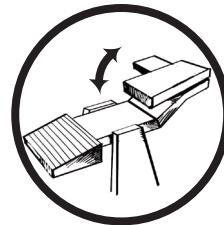

Diagram 5

G. HOW TO WIN

All player keeps paddling until only one player has one or more tokens in play. That player wins the game!

H. STORING THE GAME

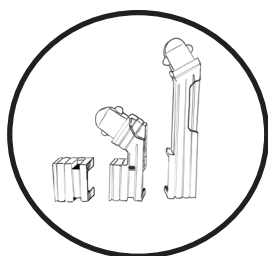

It's just 'plane' simple to store your game! Place the tokens in the resealable storage bag. Remove the center cone, then ease the base arms off the game base knobs. Now the parts will fit easily inside the box.

I. 3/6/8 PLAYERS

Apart 2-4 player version demonstrated on P.2, you can assemble the game as shown below to play a 3/6/8 player game by applying extension arms and adaptor to the Game Base and the Base Arms. (**Diagram 6/7/8**) This allows you to adjust to your player numbers.

NOTE: You must buy 2 boxes of Looping Louie~ to play a 6/8 player game.

Please refer to the packaging of the batteries you have bought, for instructions and safety warnings. If the batteries run down, unscrew the panel on the back. Insert new batteries (2 x 1.5V AA(LR6)) and replace the lid. Please ensure the + end is on the correct side of the holder.

- Do not attempt to recharge non-rechargeable batteries.
- Remove rechargeable batteries from the game before being charged.
- Only recharge rechargeable batteries under adult supervision.
- Do not mix different battery types or new and used batteries together.
- Only use batteries of the type mentioned in the rules.
- Always removed batteries when they are exhausted.
- Do NOT short-circuit the supply terminals under any circumstance.
